

2nd FLOSS International Workshop on Free/Libre Open Source Software:

Open models and Cooperation within Online Communities

Rennes, June 26 & 27th 2008

Preliminary program

THURSDAY 26th

9:30 Registration

10:00 Welcome address and Presentation of the Workshop by **Eric Darmon** (CREM, Université de Rennes 1), **Dominique Torre**, (GREDEG - University of Nice Sophia Antipolis - CNRS) and **Thomas Le Texier** (CReA, GREDEG)

10:15 – 12:30 **Plenary session**

Mikko Valimäki (Swedish School of Economics and Business Administration, Hanken),
IPR & Open Source Software

Stefan Koch (Wirtschaft Universität Wien)

12:30 - 14:00 *Lunch at the Crêperie “An Erminig” (77,rue Jean Guéhenno)*

14:00 – 16:00 **Session 1: “INSIDE” FLOSS COMMUNITIES (chaired by Thierry Penard, CREM)**

Mickaël Vicente (COSTECH, UTC Compiègne), *Shift to the Competences Model: A Social Network Analysis of Open Source Professional Developers.*

Discussant: N. Radtke

Robert Charles (LORIA), *Program and programmers evaluation using an annotation model: a case of open source systems*

Discussant: M. Vicente

Nicholas P. Radtke, Marco A. Janssen and James S. Collofello (Arizona State University), *What Makes Free/Libre Open Source Software (FLOSS) Projects Successful? An Agent-Based Model of FLOSS Projects*

Discussant: R. Charles

16:00 – 16:30 *Coffee break*

16:30 – 18:30 **Session 2 : HYBRIDIZATION I**

Laura Vici (University of Bologna), *Should I open or should I not? Firms contribution to the open source development process*

Discussant: T. Le Texier and D.W. Versailles

Olivier Bruno (Université of Nice Sophia Antipolis, GREDEG-CNRS), **Eric Darmon** (Université de Rennes 1, CREM-CNRS) and **Dominique Torre** (University of Nice Sophia Antipolis, GREDEG-CNRS), *Hybridization in the Software Industry: temporary or sustainable trend?*

Discussant: S. Comino and F. Manenti

Stefano Comino (Università di Trento) and **Fabio M. Manenti** (Università du Padova), *Dual Licensing in Open Source Software Markets*

Discussant: L. Vici

18:30 – 19:00 **Yvon Rastetter** (Ars Aperta), *Open Source Software in Small and Medium Enterprises*

20h15 *Gala Dinner at Restaurant « L'ouvrée » (18, place des Lices)*

FRIDAY JUNE 27th

9:00 – 11:00 Session 3 : HYBRIDIZATION II

Florian Perret (OMI, Université Reims Champagne-Ardenne), *Working-rules and evolutions of market / non-market cooperation in the production of FLOSS: an empirical survey*

Discussant: R. Pollock

Rufus Pollock (University of Cambridge), *Innovation and Imitation with and without property rights*

Discussant: D.W. Versailles / T. le Texier

Thomas Le Texier (CReA, GREDEG) and David W. Versailles (CReA), *Towards new hybrid software development models? Security, production, and adoptions dynamics within software projects*

Discussant: F. Perret

11:00 – 11:30 *Coffee Break*

11:30 – 13:00 Session 4 : COOPERATION WITHIN ALTERNATIVE TYPES OF COMMUNITIES

Alexia Gaudeul (University of East Anglia and ESRC CCP) and **Laurence Mathieu** (ESRC CCP), *Blogs and the economics of reciprocal (in)attention*

Discussant: S. Dejean

Silvain Dejean (CREM-CNRS), *Self-organisation of interest communities: an evolutionary approach*

Discussant: A. Gaudeul

13:00 – 14:30 *Lunch at Restaurant “La Biscorne” (8, rue Saint Méline)*

14:30 – 16:30 Session 5 : FLOSS, COOPERATION & COMPETITION

Mourad Zeroukhi (CREDEN-LASER), *Software Development with Open Source Spillovers in an Asymmetric Duopoly*

Discussant : A. Herscovici

Naoki Kojima (University of Freiburg), *Version compatibility and strategy against entry*

Discussant: M. Zeroukhi

Alain Herscovici (Université Fédérale do Espírito Santo (UFES) and CNPq, Brésil), *Free software and digital economics: cooperative economic or new mercantile forms?*

Discussant: E. Darmon & D. Torre

The workshop is hosted by the Faculté des Sciences Economiques:

Université de Rennes I – Faculté des Sciences Economiques
Salle des Actes
7, place Hoche
35065 Rennes
Metro Station/Bus stop: Saint Anne

We greatly acknowledge the financial support of our sponsors for organizing this workshop:

We would like also to thank **Eliane BOUGAULT** and **Sophie BERNARDINI** for their great help to prepare the workshop.
