Date: 19 April 2021

Object: Special sanitary measures in view of Covid-19 situation.

The summer school has adapted its organization to meet the health standards in the sanitary crisis of Covid-19. The following measures will be taken to guarantee a safe summer school:

- Negative PCR test of less than 72 hours
- 1 participant per room maximum. Note: In the village shared apartments (2-3 rooms per apartment) you will have to share the bathroom and the kitchen. Disinfectant wipes will be available in the apartments.
- 1 chair between each participants in conferences rooms minimum
- Use of masks compulsory during the whole conference
- Hydro-alcoholic gel available in each conference room
- The restaurant service has been adapted
- An isolation room is provided in case of suspicion
- If necessary, it is possible to do a PCR test 2 days before departure at the health center of Cargese

Outdoor activities will be favored in the Summer School site, including:

- Meals and coffee breaks
- Poster sessions
- Workshops
- Practical lessons

In addition to all these measures, participants will be asked to adopt the most responsible and serious behavior during the entire duration of the summer school.
