Cafeteria

Conference

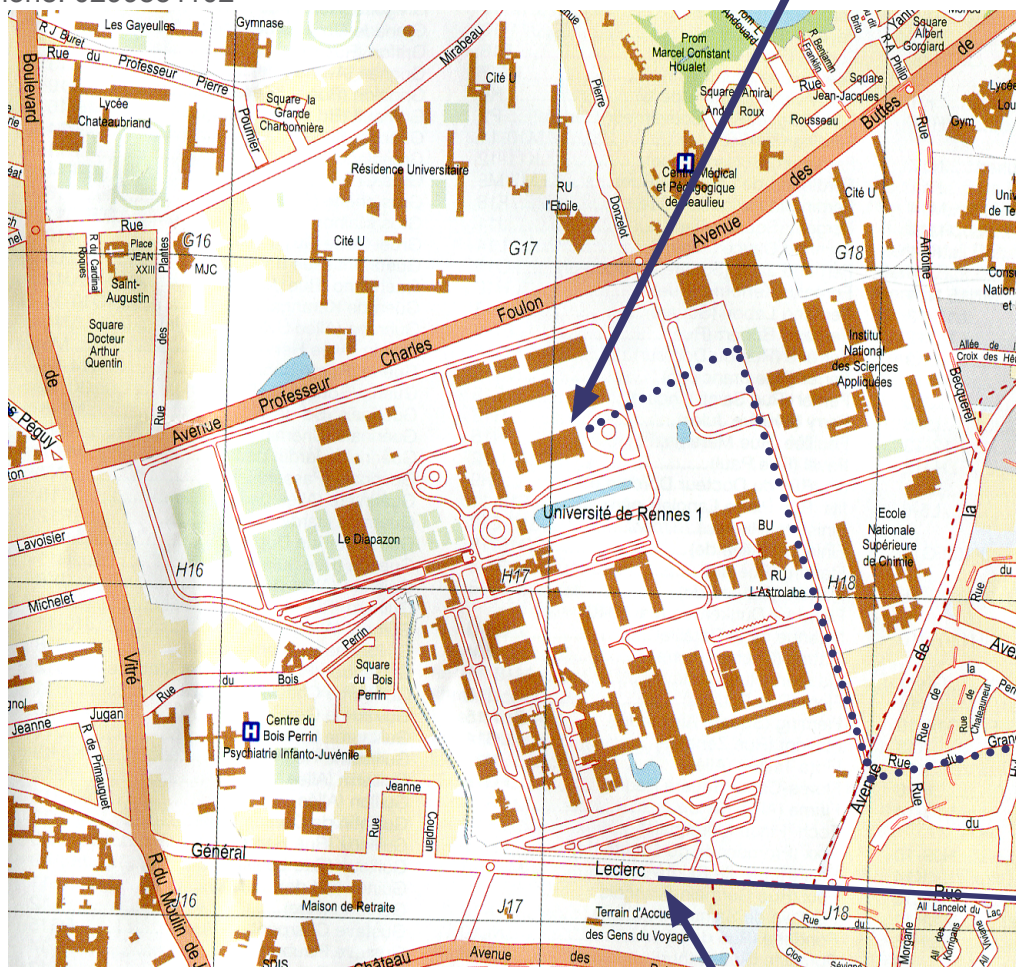

ACCOMMODATION:

Centre de La Hublais

Avenue de la Hublais

35510 Cesson Sévigné

Phone: 0299831102

All the participants accommodated in the Centre de La Hublais will have their breakfast served in the restaurant of the Centre.

Bus station «Tournebride»

The distance from the Centre de La Hublais to the Conference place is just about 20 minutes walking. The participants can also take the bus 6 at the bus station «Hublais» and exit the bus at «Tournebride».

Centre de La Hublais

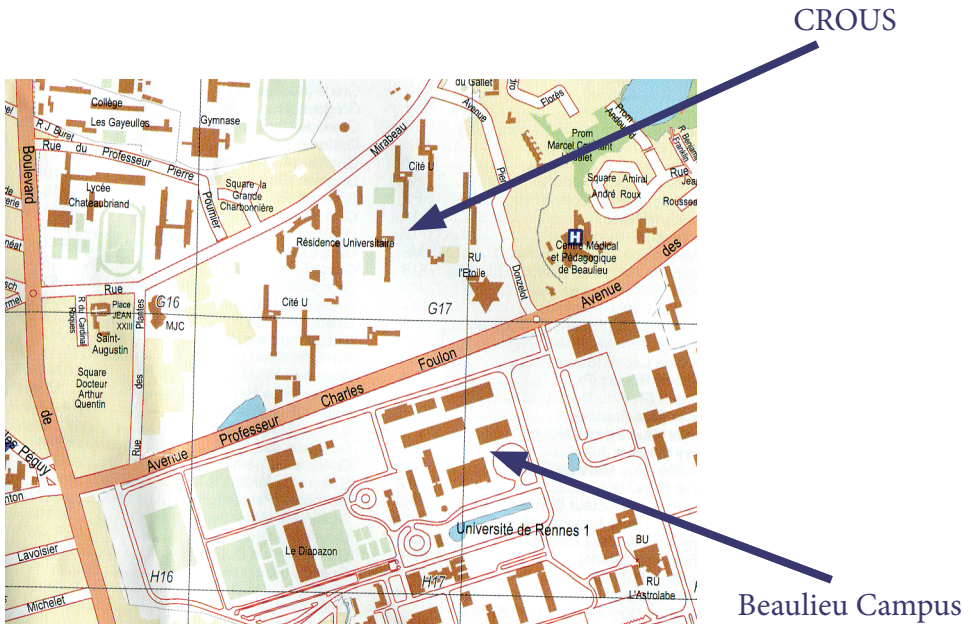

Bus station «Hublais»

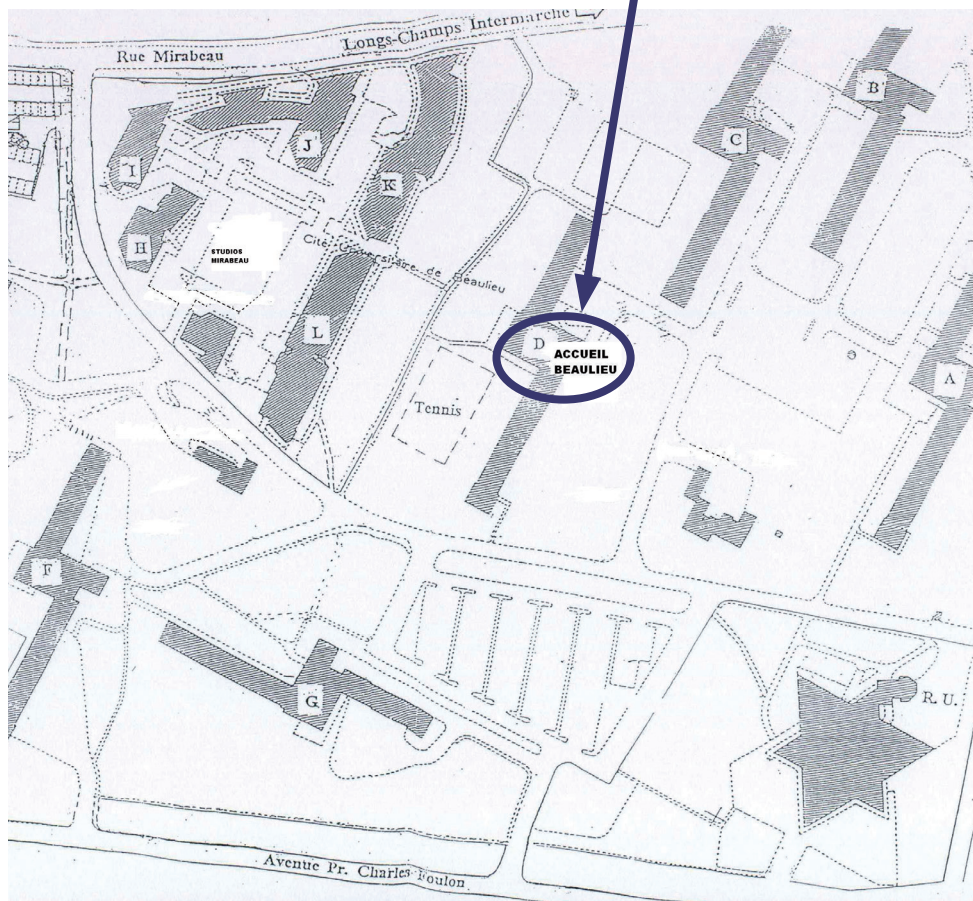

CROUS

Résidence Universitaire Beaulieu
33, Avenue Charles Foulon - Bât. D
35700 Rennes
Phone : 0299874070

The participants will be normally accommodated in single rooms in the student residence. They will have breakfast served in the cafeteria of the Beaulieu campus - building 27 (see the map p. 6) (Monday-Friday: 8:00 am - 9:00 pm).

CROUS - Building D

INSA

20, Avenue des Buttes de Coësmes
Résidence Bréhat
35708 Rennes Cedex 7
Phone : 0223238360

The participants will have breakfast served in the cafeteria of the Beaulieu campus - building 27 (see the map page 6) (Monday-Friday : 8:00 am - 9:00 am).

Restaurants:

All the participants will have lunches in the restaurant of the University (see map p.6). But dinners are not included in the participation fee.

On the Tuesday evening, 21 June 2011, there will be a cocktail served in the Centre de la Hublais for all the participants.

With some 400 restaurants and cafés, Rennes and its Metropolitan district offer a wide range of cuisines, including fine dining, traditional restaurants, bistros and crêperies.

Some restaurants in walking distance from La Hublais (in Cesson Sévigné):
Crêperie (pancakes, salted + sweet 12-13 €)

- La Fromentière (closed Mon-Tue)
- La Hublais

Grill (menu 17 €)

- Apsara

Traditional restaurant

- Chez Edgar (menu from 19 €)
- L'Adresse (menu from 21-28 €)
- Germinal (menu from 30 €)

and also : MacDonald's !!!

Excursion:

Mont Saint Michel

On wednesday 22 June 2011, there will be an excursion to **Le Mont Saint Michel**.

Situated in the middle of a bay, the Mont Saint-Michel welcomes nearly three and a half million people every year.

At the entrance of this medieval town is the ancient Burgher's Guardroom now the Tourist Office.

Rennes

Espace des Sciences

Les Champs Libres

10 cours des Alliés

35 000 Rennes

<http://www.espace-sciences.org/>

Featuring the Museum of Brittany, the Espace des Sciences with the planetarium, the city library and temporary exhibition rooms, the Champs Libres is a major centre for culture in Rennes and its Metropolitan district.

Designed by world-famous architect Christian de Portzamparc, the building is located in the centre of Rennes on the Place aux Cultures, near the railway station.
